ILR Same Day Processing at the UK Border Agency Croydon

MediVisas has an allocation of two guaranteed PEO same day processing slots at the UK Border Agency in Croydon.

The processing day is every Monday and we can provide a same day turnaround for the following applications:

Indefinite Leave to Remain (2 Year and 5 Year applications only)

Our same day allocations get booked up quickly so please contact us in advance to avoid any delay.

All other applications such as Further Leave to Remain need to be booked in advance and you will need to contact us at least 2 weeks in advance of your required processing date.

Please note that the Public Enquiry (Same Day) Office can only deal with the most straightforward applications. If your application has complications or requires any discretionary involvement by the UK Border Agency, your application will have to be submitted by post.
